About Bazaarvoice

Bazaarvoice is a social business company that enables the world's biggest brands to create, listen to, understand, and act on customer conversations. Bazaarvoice's social data platform and award-winning suite of SaaS services transform digital word-of-mouth into real insight that is integrated across the entire organization. Headquartered in Austin, Texas, the company has offices in London, Paris, Munich, Amsterdam, Stockholm, and Sydney.

About Kumar Srinivasan

Chief Product and Technology Officer

As Chief Product and Technology Officer, Kumar has overall responsibility for engineering, operations, and IT. His organization innovates new ways of making people's voices heard more clearly and directly across our clients' organizations to quickly adapt and evolve.
